**Response to Objection**  
**I oppose the disallowance and expungement of my claim**

i)

Bankruptcy court:

United States Bankruptcy Court  
Southern District of New York

Debtors:

Lehman Brothers Holdings Inc., et al.,

Case number:

Chapter 11 Case No.  
08-13555 (JMP)  
(Jointly Administered)

Title of the Objection:

Two Hundred Thirteenth Omnibus Objection to Disallow and Expunge Certain  
Filed Proofs of Claim

ii)

Name of claimant:

Mateos Escudero, Maria Agueda

Description of the basis for the amount of the claim:

Claim Number:	46683
Date Filed:	10/26/2009
Debtor:	08-13555
Classification and Amount:	Unsecured: \$ 283,020.00

iii)

My claim should not be disallowed and expunged for the reasons set forth in the  
Objection, due to the following facts:

In January 2007 I invested the practical totality of my savings in this product that Banco  
Español de Crédito, S.A., Spain recommended to me as a secure fixed-rate investment,  
trusting the Guarantee by one of the most prestigious financial institutions in the  
world, with a AAA rating: the Debtors.

The Prospectus specifies that the Issuer was formed on the aforementioned date in  
order to provide funding for the Debtors, using the capital to acquire the Debtors'  
Subordinate Notes.

The dissolution of the Issuer in June 2010, which none of the parties had communicated to me until this Objection, was a direct consequence of the bankruptcy of the Debtors in September 2008. Therefore the dissolution of the Issuer should not terminate the Debtors' Guarantee as if the Debtors were not at fault.

I respectfully request the rejection of the Debtors' Objection to my claim, and that their Guarantee be fully enforced to cover the debt I acquired from the Issuers.
